

**APPLICATION
FOR PERMISSION TO MARRY
ACCORDING TO THE RITES OF THE ANGLICAN CHURCH OF CANADA
AFTER CIVIL DIVORCE WHILE A FORMER HUSBAND OR WIFE OF EITHER APPLICANT
IS STILL LIVING**

Suggestions for the pastoral use of this application

1. Arrange a meeting with the couple in which you explain Anglican requirements to them personally.
2. Have as your primary aim in this interview to establish open and warm communication with the couple so that they realize that the church is concerned for them, and desires to help them as they seek Christian marriage as understood in the preface to Canon 21.
3. After you have established this rapport, explain to them the procedures under Part IV of the canon, and the Declaration on page 10 of Part B of this application.
4. Please note that Part A of this application (pages 1-3) is designed to be filled out by the incumbent in the presence of the couple.
5. At the end of the first interview, give the couple Part B(pages4-10) to fill out at home and to return at a later meeting for discussion and signing.
6. Please note that the questions in Part B are designed to be as simple as possible. But naturally they will, if thoroughly discussed, give rise to others. For example, in discussing support (page 4), you will want to know that they believe their proposed marriage to be financially viable in the light of continuing commitments to child support. Or, in discussing the questions on page 9, you may wish to ask them if they have thought through any changes in wills which may be appropriate.
7. By the conclusion of the second meeting, you will normally be in possession of the information required for the incumbent's report (Part C of this application); or you may wish to make enquiries of other sources before completing it.
8. Certified or authenticated copies of the Decree Nisi, the Decree Absolute, or the Certificate of Divorce are to be submitted to you by the couple, and forwarded with the application forms to the Commission for final approval. (When there has been a divorce, a marriage licence is necessary in all provinces - although banns may be read as well - and the Decree Absolute is required for this purpose.)
9. We stress that this entire procedure is *pastoral*, in that it enables an incumbent to minister to *parishioners*, that is, all persons resident in the parish, whether Anglican or not, and others who come sincerely desiring ministry.
10. Problems sometimes arise when couples seeking marriage are not living in the diocese in which they wish their marriage to be solemnized. In such cases, the pastoral care of the people involved requires that the incumbents who are applied to should undertake the appropriate interviews and documentation on behalf of the incumbents who are to solemnize these marriages. Incumbents applied to should correspond with incumbents solemnizing so that the latter may be confident in conscientiously endorsing applications prepared by the former.

DECLARATION

We hereby declare that we intend to enter into marriage which we acknowledge to be a union in faithful love, to the exclusion of all others on either side, for better or for worse, until we are separated by death.

We undertake to prepare ourselves for the exchange of vows at our wedding, recognizing that by this mutual exchange our union in marriage will be established.

We intend to strive thereafter to fulfill the purpose of marriage: the mutual friendship, support and comfort to one another, the procreation (if it may be) and the nurture of children, and the creation of a relationship in which sexuality may serve personal fulfillment in a community of faithful love.
